# TRUE MYTH

## 2014 RESERVE CABERNET SAUVIGNON PASO ROBLES

Mother Nature is intriguing and elusive, reigning on high with grace and beauty. For more than 40 years, our family has benefitted from her generous gifts as we've farmed, lived, and made wine in San Luis Obispo County. In our location on California's Central Coast, we are eternally awestruck by the magic of her omnipresent influence; Paso Robles and its rugged terrain showcases the diversity of her Central Coast creations. We respect Mother Nature for the enigma that she is, and honor her by creating wines of quality and flavor that mirror her splendor. Join us as we continue on this journey.

#### *Tasting Notes*

"The Reserve Cabernet Sauvignon is a dark, saturated color, full of polished aromas of dark plum and cherry, sweet vanilla and oak wood, leading to flavors of chocolate, cinnamon stick, and ripe flavors. This full bodied and rich wine is very approachable now, and will continue to mature for years to come."
