2018 ESTATE CHARDONNAY | EDNA VALLEY | PARAGON VINEYARD

VINEYARD HISTORY

Jack Niven pioneered winegrape planting with Paragon Vineyard in the Edna Valley in 1973. Not the bystander type, his wife Catharine soon after began a project that grew into what is now Baileyana Winery. In the mid 1990s, their two sons, James and John, purchased property next door, and expanded Paragon Vineyard. They designed and planted these new blocks with select clones, varieties and rootstocks specific to the site. They named this section Firepeak, in homage of the extinct volcanoes in the area, and the resulting volcanic soils.

THE EDNA VALLEY

The coolest growing region in all of California, as cited in a study by Southern Oregon University, the Edna Valley is a mere 5.4 miles from the Pacific Ocean. Consequently, the extended growing season allows grapes grown here to develop intense and complex varietal flavors, while achieving optimum maturity levels. Known as the "Dirt of the Devil," the soils in the northern portion of the valley are also unique. As Islay Hill is the most southern sibling in a chain of extinct volcanoes known as the Seven Sisters, volcanic remnants are combined with clay loam and rocky marine sediment, offering a distinct mix of nutrients and good drainage.

TASTING NOTES

"This wine is loaded with tropical fruit, melon, caramel and vanilla. The round, creamy mouthfeel is complemented by aromatic oak and the bright acidity of our cool climate fruit. Apple pie spices, cinnamon and lemon preserve flavors combine with a hint of minerality for a lingering, rich finish."
