

TRUE MYTH

2016 RESERVE CABERNET SAUVIGNON

PASO ROBLES

This wine showcases the power and lushness of Cabernets from Paso Robles. From a single vineyard with old vines which produce small, concentrated berries, this wine possesses bold, powerful and opulent notes of black cherry, cassis and pepper. The tannins in the grapes provide a smooth yet powerful structure to the wine. Aging in both new American and French oak enhances the structure of the tannins already present, while adding rich spices to the finish. All of this combines to be a great example of high-quality Cabernet Sauvignon.

The 2016 vintage in Paso Robles is celebrated for its long growing season without any heat spikes or weather interruptions, which ensured the grapes ripened to feature their full spectrum of flavors while retaining high acidity.

Our Reserve Cabernet Sauvignon from one of the most celebrated vintages is opulent, memorable and truly special!

40% New French Oak & 10% new
American Oak

PH 3.72
ALC. 14.3%

SRP \$24

Tasting Notes

Dark in color, this wine delights at first sight and smell with its aromas of dark black fruit, sweet vanilla and smoke. Flavors of red and black fruits mingle with mocha and sweet spices on the pallet. Full-bodied and rich, this wine is soft yet powerful. It is ready to be enjoyed now and will continue to impress in years to come.

TRUE MYTH

Believing is the first step towards caterpillars becoming butterflies, grapes becoming wine and Myths becoming True. Like the butterflies who migrate through our land, True Myth embraces the power of transformation. We believe that opening a bottle of wine can be a transcendent experience. As we transform grapes grown in volcanic soil near the ocean in California's diverse Central Coast to richly expressive wines, we embrace the natural beauty of change and prove that balance is more than just a flavor descriptor.
