## 2019 TRUE MYTH RYDER CUP CABERNET SAUVIGNON

### LIMITED EDITION

#### PASO ROBLES

Believing is always the first step to Myths becoming True and golfers becoming legends. In partnership with the Professional Golf Association of America, this limited edition Cabernet Sauvignon celebrates intrigue, transcendent experiences and the excitement of this year's Ryder Cup.

Sourced from old vines on the warmer East Side of the Paso Robles AVA, this wine is bold, powerful and opulent with notes of black cherry, cassis and pepper, characteristics associated with high-quality Cabernet Sauvignon. Cool-climate Syrah from our home in Edna Valley is an important part of this blend, as it imparts blue fruit and red cherry notes, as well as a noteworthy juiciness and memorably silky texture.

#### 2019 Vintage

The 2019 vintage in Paso Robles benefited from a long summer without excessive heat. A later than normal harvest, without any heat spikes, allowed the grapes to reach their full ripeness while retaining acidity. The 2019 vintage will be celebrated upon release and in years to come.

#### Tasting Note

This Cabernet Sauvignon is pure Paso Robles with aromatically beautiful, jammy red fruits that drive through to ripe blueberry, white pepper and savory herbs. Rich cherry red fruits harmoniously integrate with the tannins, resulting in a long smooth finish full of body and texture.
